

## SCHOLARSHIPS 2012

Edworks is pleased to offer a scholarship information pack regarding the format, schools and timing of the ACER and EDUTEST scholarship exams and SEAL tests. Additional information can be gained by contacting the schools that your child wishes to sit for. Parents need to be aware that a number of the exams occur in February which often means that they fail to register on time and do not have sufficient time for preparation. Edworks therefore encourages parents to tell friends of the early exam times for future reference.

Outlined are the **scholarship exams** for **2012**.

1. The current companies are: **ACER** and **EDUTEST**. The **format** of the **exams** and **schools, dates** etc is **listed** for your **information**. Please refer to their websites: <http://www.acer.edu.au/tests/cstp>, [www.edutest.com.au](http://www.edutest.com.au) for additional information with respect to online bookings.
2. **EDWORKS** offers a **FREE** online **scholarship preparation exam** for students in **Grades 6 to Year 9**. We **also offer** a **percentile ranking** so that students can **compare** their **current level** of performance. **Students** should **remember** that **Edworks** programs offer them the **opportunity to make significant advances** and **gain greater confidence** in preparing for scholarship exams.
3. Many **other online practice exams** are designed to show the students the **general format**, but **are not** at the **appropriate level** (ie too **easy**). As a result, **students** are **surprised** and **unnerved** when they sit the exam. **EDWORKS** provides suitably challenging exams that see students well prepared.
4. **All EDWORKS' material and programs are in an exam format**. The **added benefit** is that we **do not simply focus** on the answer, but **use the material** as a **tool** to **develop a student's skill** set. An example is the development of our unique **7 Steps to Problem Solving**.
5. **All students** sitting scholarship exams are encouraged to **review the scholarship preparation** booklets in their folders.
6. **EDWORKS** has a **summary** sheet of **skills** and **attitudes** that students need to **take** into the **exam**.

## EDUTEST SCHOLARSHIP EXAMS

### DESCRIPTION OF TESTS

Scholarship and entrance exams are comprised of **Ability Tests** and **Achievement Tests**:

### THE ABILITY TESTS

**Ability tests** are designed to **measure a child's ability** to **think, reason** and **solve** problems, without necessarily **relying** on **prior knowledge**. **Ability** generally **predicts** how **quickly a child** will be able to **learn** and the level of complexity they can **comfortably** deal with.

✓ **VERBAL REASONING**: measures the ability to think and reason using words and language. This includes vocabulary, word relationships, classification and deduction. (30 minutes in length).

✓ **NUMERICAL REASONING**: measures the ability to think and reason using numbers. This includes series, matrices, arithmetical reasoning and deduction. (30 minutes in length)

# SCHOLARSHIPS 2012

## THE ACHIEVEMENT TESTS

**Achievement tests** are designed to measure actual achievement or performance in some key academic areas. **Achievement scores** are influenced by a child's ability, as well as the application and practice of knowledge that has been learned.

- ✓ **READING COMPREHENSION:** measures the capacity to read and interpret meaning from written passages, as well as correct, complete and punctuate sentences. (30 minutes in length).
- ✓ **MATHEMATICS:** measures year-level appropriate mathematical knowledge, including number patterns, measurement, basic algebra, space and data. (30 minutes in length).
- ✓ **WRITTEN EXPRESSION:** this test assesses the ability to convey ideas clearly in written form. Punctuation, creativity, construction, grammar, spelling and relevance to the task are assessed. (15 minutes in length). Each test is 30 minutes in length and the students do not get any additional reading time.

## SEAL EXAMS

As with the scholarship and selective entrance exams, schools select from ACER (AUSTRALIAN COUNCIL OF EDUCATIONAL RESEARCH) and EDUTEST™. A few schools also take the option of writing their own tests or utilising educational consultants.

Edworks has been assisting students for over 21 years. We recommend that parents contact the school/s via their websites and then depending on the format, we can integrate issue based writing/abstract reasoning or not. The other aspects of the exams are similar to general scholarship/entrance exams. Edworks takes the initiative to prepare for a wide variety of formats. We also suggest that students sit for more than one school. Please refer below with respect to the general formats offered by ACER and EDUTEST.

### ACER HAST FORMAT

ACER offers three formats for schools to select from:

Four Tests	Four Tests	Three Tests
Reading Comprehension	Reading Comprehension	Reading Comprehension
Mathematics	Mathematics	Mathematics
Abstract Reasoning	Two Written Expression	One Written Expression
One Written Expression		

### EDUTEST™ FORMAT

EDUTEST uses the same format for scholarship and accelerated programs. Please refer to the information above for more details.
